

Thermal Imaging Inspection Contract

1. This is an Agreement regarding the inspection at: _____

Thermal imaging is a technology that allows the INSPECTOR to show you things about your home that no one can show you using other inspection methods. Thermal imaging produces images of invisible heat energy emitted from objects and systems in the home or commercial property and allows us to measure it. Thermal imaging helps to diagnose the problem rather than merely identify symptoms and can sometimes, but not always, identify and document: Electrical faults before they cause a fire, overloaded and undersized circuits, circuit breakers in need of immediate replacement, missing, damaged, and/or wet insulation, heat loss and air infiltration in walls, ceilings, floors, windows and doors, water and moisture intrusion that could lead to mold, possible pest infestation, hidden roof leaks, before they cause serious damage, air conditioner compressor leaks, energy loss and efficiency, damaged and/or malfunctioning radiant heating systems, unknown plumbing leaks, overheated equipment.

CLIENT requests and authorizes INSPECTOR to perform a thermal imaging scan or audit/survey for the following purposes: _____

The fee for this additional service will be _____, all of which is due at the conclusion of a scan or prior to delivery of the thermal images and the final report for an audit or survey.

2. Inspector's liability arising for any damages allegedly arising out of any aspect of the thermal imaging service shall be limited to the additional amount paid for the thermal imaging scan/audit/survey. CLIENT voluntarily waives any claim for consequential, exemplary or incidental damages to the fullest extent allowed by law.

3. The thermal imaging scan will be limited in scope to the equipment used by INSPECTOR. The inspection will be a non-invasive and non-destructive examination of the visible, safely and readily accessible portions of the interior and/or exterior of the structure for atypical temperature/thermal variations. NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES REGARDING FUTURE USE, HABITABILITY, OPERABILITY, SUITABILITY, OR MERCHANTABILITY WITH RESPECT TO THE SUBJECT PROPERTY ARE PROVIDED.

4. Thermal imaging services do NOT include any inspections, examinations, testing or evaluations for harmful, dangerous, or toxic substances or materials or environmental hazards including but not limited to: mold, bio-aerosols, radon, lead, asbestos, non-biological airborne particulates, contaminants, petroleum products, petrochemicals, radioactive materials, electromagnetic radiation, plant, animal, or insect secretions or excretions. Infrared cameras are not moisture meters but can aid in identifying areas that warrant further investigation. If INSPECTOR offers any information or opinions about any of the forgoing, this information shall be deemed to be informational only and supplied as a courtesy to the CLIENT and shall not be deemed to be an amendment to this addendum or the inspection agreement.

5. CLIENT agrees to indemnify and hold harmless INSPECTOR, its agents, employees, and inspectors for the presence of any harmful, dangerous, or toxic substances or materials or environmental hazards including but not limited to those listed in part 4 of this addendum as well as for any and all damages and liability for any mitigation, construction, or any other costs associated with the presence of any such hazards or substances or materials.

6. If CLIENT desires to obtain information regarding the presence of any harmful, dangerous, or toxic substances or materials or environmental hazards including but not limited to those listed in part 4 of this addendum, it is solely the responsibility of the CLIENT to contact and engage the services of qualified individuals or companies that specialize in the areas of specific interest or concern.

7. All of the other terms of the Agreement (Inspection Contract) are incorporated herein by reference.

I have carefully read the foregoing and I understand, accept, and agree with all of the terms and conditions of this addendum.

CLIENT (Date)
